WORKING PAPER AND RESOLUTION PAPER FORMAT

Working Paper Format

It is not requested yet to introduce signatory or sponsoring / promoting countries, also there is not an specific order for it, however it is mandatory to respect the essence and structure from a Resolution Paper and, the most important, in a Draft Resolution there's no need to write the operative clauses yet.

Amendments

An amendment only applies after the Draft Resolution has been approved, by this means, the committee will open a space to make modifications through the amendment process, this will recognized as "Division of the question", which will allow the delegations to add, delete or change an operative clause before reaching the Resolution Paper.

At this point, it must be written clearly what is going to be modified. Thus, it must be indicated the operative clause and what is going to be deleted, modified or added, for example:

- It is added as an operative clause in point 1.2 "Reaffirms support..."
- Operative clause 7 is deleted
- Operative clause 3 is modified in order to read "3.Proclamation in view of...
